

**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application.

**Listing of Claims:**

1. (Currently Amended) A camera comprising:  
a communication device which allows radio communication with ~~other~~ another unit;  
and  
a radio antenna,  
wherein a conductive component ~~previously provided for~~ included in the camera and insulated from a camera housing, but not electromagnetically shielded, is ~~jointly~~ also used as the radio antenna.
2. (Currently Amended) The camera according to claim 1, wherein the conductive component includes ~~any one of~~ a hot shoe to which an accessory is set, ~~a reflector of a flash, a strap, a strap setting member, a ring member around a photographing ring, a camera operating button, a camera operating dial, a camera operating lever, a lens cover, a cover of a battery, and a cover of a recording medium storing section.~~
3. (New) The camera according to claim 1, wherein the conductive component includes a reflector of a flash.

4. (New) The camera according to claim 1, wherein the conductive component includes a strap.
5. (New) The camera according to claim 1, wherein the conductive component includes a strap setting member.
6. (New) The camera according to claim 1, wherein the conductive component includes a ring member around a photographing ring.
7. (New) The camera according to claim 1, wherein the conductive component includes a camera operating button.
8. (New) The camera according to claim 1, wherein the conductive component includes a camera operating dial.
9. (New) The camera according to claim 1, wherein the conductive component includes a camera operating lever.
10. (New) The camera according to claim 1, wherein the conductive component includes a lens cover.
11. (New) The camera according to claim 1, wherein the conductive component includes a cover of a battery.

12. (New) The camera according to claim 1, wherein the conductive component includes a cover of a recording-medium storing section.
